Unspoiled, THE NAPLES COAST

Discover an untainted stretch of Florida's coastline – a spot where pristine beaches give way to emerald waters and the sun goes to rest on the horizon each night. It's the kind of place you can escape to, where the pace is always unhurried and the concerns of the "real world" are a million miles away. This remarkable place is the Naples Coast, a natural resort area nestled between the Florida Glades and the barrier islands of the Gulf of Mexico.

Unhampered, COASTAL TREASURES

Imagine a place with tranquil waters, endless skies and sand just about everywhere you sink your toes. Whether your idea of relaxation is a day of tarpon fishing or just kicking back with a good book, Florida's "Platinum Coast" has it all. Spend the afternoon deep-sea fishing, work on your tan or look for shells along our endless stretch of coastline.

Unforgettable. REFINED LEISURE

Easily Southwest Florida's most sophisticated locale, the Naples Coast features more than 90 art galleries, legendary golf courses and boutique-style shopping that rivals Rodeo Drive and Worth Avenue. Despite the affluence of Olde Naples and Millionaire's Row, this quaint beach community has an easy-going friendliness that welcomes newcomers and beckons them to return again.

Unlike other resort destinations, the Naples Coast is not the place you go to see and be seen. It's where you escape to when you don't want to be found.
